Home-Start Bracknell Forest Safeguarding Vulnerable Adults Policy

Policy

Home-Start Bracknell Forest is committed to safeguarding and protecting the welfare of all who use its service. It recognises that it has a responsibility to protect the welfare of vulnerable adults through its support for families and to ensure that all vulnerable adults are protected from harm.

Home-Start Bracknell Forest is committed to high standards of practice in safeguarding the welfare of vulnerable adults. It has no statutory remit or role to investigate abuse of vulnerable adults but acknowledges a responsibility to pass on to the appropriate statutory agency concerns in relation to the safety or welfare of a vulnerable adult so that these concerns can be assessed.

Definition

Who is a vulnerable adult?

A vulnerable adult is a person aged 18 years or over who is receiving or may be in need of community care services and is or may be unable to take care of themselves or protect themselves from significant harm or serious exploitation.

This may include a person who:

- Is elderly or frail
- Has a mental illness including dementia
- Has a physical or sensory disability
- Has a learning disability

- Has a severe physical illness
- Is a substance misuser
- Is homeless.

In this context community care services includes all care services provided in any setting by any agency whether statutory, voluntary or community and therefore includes the services provided by Home–Start schemes.

Principles

The policy and these procedures are based on the following principles.

All vulnerable adults in Home–Start Bracknell Forest, irrespective of their age, disability, gender reassignment, marriage or civil partnership, pregnancy or maternity, race, religion and belief, sex or sexual orientation, have the right to:

- Have their money, goods and possessions treated with respect and to receive equal protection for themselves and their property.
- Guidance and help in seeking assistance as a consequence of abuse.
- Be supported in making their own decisions about how they wish to proceed in the event of abuse and to know their wishes will only be over-ridden if it is considered necessary for their own safety or the safety of others.
- Be supported in bringing a complaint under any existing complaint procedure.
- Be supported in reporting the circumstances of any abuse to independent bodies.
- Have alleged, suspected or confirmed cases of abuse that come to light through Home–Start support dealt with as a priority.
- Receive appropriate support following abuse.

It is the responsibility of all within Home–Start Bracknell Forest to report any concerns about abuse.

When abuse of a vulnerable adult needs to be reported each local authority will have its own system, resources and reporting procedures. This may be a dedicated phone line or a specific social services team. Schemes should familiarise themselves with local procedures in their area. Alternatively adult abuse can be reported directly to the police.

All incidents of alleged poor practice, misconduct or abuse will be taken seriously and responded to swiftly and appropriately.

All personal data will be processed in accordance with the requirements of the Data Protection Act 1998.

Procedure

Where there are concerns about the safety or welfare of a vulnerable adult this policy and these procedures will be followed and information will be shared with the relevant agencies to protect the vulnerable adult.

Home-Start will take all possible steps to ensure that vulnerable adults with whom it works are kept safe through:

- Clear procedure for the raising of concerns about a vulnerable adult
- Safe recruitment processes for all trustees, staff and volunteers including the obtaining of DBS checks as appropriate
- Procedures to structure the management of an allegation of abuse against trustees, staff or volunteers
- Effective induction, training and support for trustees, staff and volunteers to ensure they are aware of and understand the importance of implementing this policy and the related procedures
- Identified personnel to hold the strategic lead and designated safeguarding responsibilities for the safeguarding of vulnerable adults within Home-Start
- Clear expectations of all trustees, staff and volunteers for sharing information about vulnerable adults.

Disclosure of Information

- Home-Start Bracknell Forest recognises the importance of sharing information to protect a vulnerable adult and normally any disclosure of confidential information to any other person may only be undertaken with the express permission of the person.
- Where it is considered necessary for the welfare and protection of a vulnerable adult, the person will be kept informed unless to do so would put his or her welfare and safety at risk of harm.

- In recognition of its commitment to pass on concerns, Home–Start will maintain effective working partnerships with organisations working with vulnerable adults within the community and will maintain current information on and work within the requirements of the local procedures followed by statutory and voluntary agencies.

Procedure when there are concerns

- If anyone who is associated with Home–Start Bracknell Forest has concerns about the welfare of a vulnerable adult they must raise those concerns and inform the designated person without delay
- If a vulnerable adult discloses that they are being, or have been abused this information must be taken seriously and the information must be passed to the designated person for dealing with their concerns without delay and in any event within 48 hours of the information coming to light
- The first priority should always be to protect the safety of all vulnerable adults and it is the responsibility of all within Home–Start Bracknell Forest to act on any suspicion or evidence of abuse or neglect
- The information regarding the concerns and the action taken will be recorded and passed to the relevant agencies. Written information will be passed to the respective agencies within 7 working days
- If an adult is at risk of immediate harm then the designated person will inform the appropriate agency without delay and in any event not later than 48 hours after the concerns have been raised
- If the adult is not in immediate harm the information must be passed to the designated person who will respond as soon as possible but within 48 hours.
- Failure to report concerns may lead to suspension pending investigation and for staff, disciplinary action
- If a member of staff, volunteer or trustee is alleged to have put the welfare or safety of a vulnerable adult at risk, the designated person will inform the appropriate agency and cooperate fully with the authority in the manner in which the matter is dealt with including the immediate suspension of the person pending an investigation

Allegations against staff and volunteers

It is important that any concerns for the welfare of a vulnerable adult arising from abuse or harassment by a member of staff or volunteer should be reported immediately to the designated person, or, if they are implicated in the concerns, to the strategic lead or a named trustee, and an incident form completed. Concerns about poor practice should also be reported to the designated person.

Where there are allegations of abuse or concerns about poor practice of staff or volunteers there may be three strands of investigation as follows.

1. Vulnerable adult protection investigation (externally led)
2. Criminal investigation (externally led by the Police Authority)
3. A disciplinary investigation (internally led)

It may be that the employee will be suspended with pay during an investigation or a volunteer asked to cease volunteering pending the outcome of the investigation.
